Name: Ken Borowiak

Affiliation: Howard M. Proskin & Associates, Inc.

A SAS programmer for nearly 5 years, I currently serve as the interim Vice-Chair of the Executive Committee. I am currently employed for a statistical consulting firm after working in the health care insurance industry. I enjoy being an active participant in GVSUG and hope to continue to contribute to its current and future success.

Name: Joseph J. Guido

Affiliation: University of Rochester

Joseph has been using SAS for over 20 years. Currently he is an Instructor at the University of Rochester for two graduate level SAS courses. Has served on the Executive Committee of GVSUG since 2001. Has presented regionally and nationally at SAS user group meetings.

Name: Adam LaManna

Affiliation: GVSUG Member

--SAS programmer for 2.5 years --Currently on 2 local not-for-profit Board of Directors

Name: Gina Lau

Affiliation: Howard M Proskin Associates

I would love to contribute to our user group.

Name: Steven LaLonde

Affiliation: RIT

Steve teaches a statistical computing course at RIT at the Center for Quality and Applied Statistics that uses SAS and Minitab. Steve has been a SAS User for over 20 years, and has presented at NESUG and SUGI.

Name: Marla Miller

Affiliation: Excellus BlueCross BlueShield

My focus as a member of the GVSUG Executive Committee is to provide education and networking opportunities to a wide range of SAS users, from the beginning user to the master, from those involved in statistical analysis to those who use SAS primarily as a data management and reporting tool.

Name: Mike Molter

Affiliation: Howard M Proskin & Associates

I've been with the EC since we started a little over two years ago. After Paige Miller's departure this past summer, I have enjoyed the role of "interim" Chair. We have a great SAS community here in Rochester, and I hope to continue assuming this role in facilitating further networking opportunities such as this one.

Name: Michael E. Tomb

Affiliation: Informatica ECS, Inc.

Michael E. Tomb has used SAS for over 25 years. He has presented at both the NESUG and PharmaSUG conferences. Michael is the president and owner of Informatica ECS, Inc., a local software development firm.

Name: Paul C. Winters

Affiliation: University of Rochester Medical Center

Paul has served on the GVSUG executive committee since its revival four years ago. He has presented at NESUG and GVSUG conferences and has been working with SAS software for 3 years. Paul is a faculty associate for the University of Rochester Medical Center and lead programmer/analyst for the division of epidemiology.
